

## Ohio Revised Code

### Section 5162.06 Components requiring federal approval or funding.

Effective: June 13, 2022

Legislation: House Bill 136

---

(A) Notwithstanding any other state statute except for section 5164.061 of the Revised Code, no component, or aspect of a component, of the medicaid program shall be implemented without all of the following:

(1) Subject to division (B) of this section, if the component, or aspect of the component, requires federal approval, receipt of the federal approval;

(2) Sufficient federal financial participation for the component or aspect of the component;

(3) Sufficient nonfederal funds for the component or aspect of the component that qualify as funds needed to obtain the federal financial participation.

(B) A component, or aspect of a component, of the medicaid program that requires federal approval may begin to be implemented before receipt of the federal approval if federal law authorizes implementation to begin before receipt of the federal approval. Implementation shall cease if the federal approval is ultimately denied.
